NEW SESSIONS ADDED

TEN THINGS TO KNOW ABOUT UIC OPEN HOUSE

- 1** A free, annual event, UIC Open House is our signature drop-in program open to everyone.
- 2** The 2019 UIC Open House event is September 21 from 8 a.m. to 2 p.m., with department-specific programs happening until the 2 o'clock hour.
- 3** Sessions will cover everything from mock classes and campus tours to one-on-one meetings with financial aid.
- 4** The program includes the UIC Expo, a chance to speak one-on-one to representatives of more than 100 departments, colleges, student organizations, and offices dedicated to UIC success.
- 5** Guests can build a personalized schedule for the day based on their interests.
- 6** Visit our website at openhouse.uic.edu for a map, directory and itinerary creator.
- 7** UIC Open House is organized by the university's Office of Academic and Enrollment Services with many partnering colleges and departments.
- 8** Follow UIC Admissions on Facebook (@gouic), Twitter and Instagram (@apply2uic) for live updates, reminders and a recap of the event.
- 9** Use the hashtag #UICOH to share your experience. Show your post to an admissions staff member for free UIC gear at tables 70 and 71 as part of the UIC Expo.
- 10** Don't miss the UIC Pep Band playing at UIC Live.

LET'S GET FIRED UP!

WE'RE DOING BIG THINGS. AT UIC OPEN HOUSE, WE WANT TO SHOW YOU.

The University of Illinois at Chicago is an acclaimed research institution located just minutes from the heart of downtown. Sixteen academic colleges, 30,000 students, 3,000 faculty members, and a full hospital and health sciences system on our campus share one mission: to create and share knowledge while doing good and giving back.

For that reason, UIC proudly conducts \$348 million in sponsored research led by experts who shape things like public policy, economics, and health care in places as close as Pilsen and as far as Antarctica. Students here also enjoy an 19:1 student-to-teacher ratio, which means they learn and work alongside these world renowned experts.

Altogether, our community is proudly recognized as one of the most ethnically and culturally rich college campuses in America. We boast other top rankings and awards, too, in educational quality, academics, affordability, accessibility, environmental achievements, service, social justice, and more.

Learn more about UIC at uic.edu. To apply to undergraduate or graduate programs, visit admissions.uic.edu.

TABLE OF CONTENTS / HOW THIS GUIDE WORKS

As you explore, you will meet faculty experts, inspiring students, and many staff and student employees who make UIC an interesting and exciting place to live and learn. Please ask us questions and let us know how we can make your visit productive and informative today.

SCIENCE, TECHNOLOGY, & ENGINEERING

INNOVATION THAT'S CHANGING THE
WORLD IN WHICH WE LIVE.

- 1 BIOENGINEERING AT UIC**
Our interactive presentation demonstrates how bioengineering applies engineering principles to diagnoses and therapy. The session includes a lab tour.

ERF, 1023 | 25 mins
Scheduled: Starts on the half hour,
9 a.m. - 1 p.m.
high school and transfer students

- 1 CIVIL ENGINEERING: BUILDING TOMORROW'S WORLD**
Meet engineers designing high-speed rail and cleaning the earth's water, air, and soil. Join us after for presentations and an exciting, interactive activity.

ERF, 2nd Floor Atrium - East | 25 mins
Scheduled: Starts on the half hour,
9 a.m. - 1 p.m.
high school and transfer students

- 2 CHEMICAL ENGINEERING FOR YOU**
An in-depth discussion about what students learn and how they apply it, followed by a Q&A session and tour of labs.

EIB, Entrance | 25 mins
Scheduled: Starts on the half hour,
9 a.m. - 1 p.m.
high school and transfer students

- 3 COMPUTER SCIENCE AND ELECTRONIC VISUALIZATION LAB (EVL) EXPERIENCE (RESERVATIONS REQUIRED)**
Participate in a 20-minute interactive activity and tour UIC's EVL, one of the world's most advanced virtual reality facilities.

SELE, 2268 | 25 mins
Scheduled: Starts on the half hour,
9 a.m. - 1 p.m.
high school and transfer students

- 1 ELECTRICAL & COMPUTER ENGINEERING**
Learn about the exciting sub-disciplines available in this department.

ERF, 1033 | 25 mins
Scheduled: Starts on the half hour,
9 a.m. - 1 p.m.
high school and transfer students

- 1 MECHANICAL & INDUSTRIAL ENGINEERING**
Learn the cause and effect of the physical world we live in during this interactive demonstration.

ERF, 2nd Floor Atrium - West | 25 mins
Scheduled: Starts on the half hour,
9 a.m. - 1 p.m.
high school and transfer students

- 3 BIOLOGICAL SCIENCES, NEUROSCIENCE & INTEGRATED HEALTH STUDIES**
Hear from faculty as they share from their diverse research and teaching interests and learn how these majors can help you achieve your professional goals.

ARC, 137 | 45 mins
Scheduled: 10 a.m.
high school and transfer students

- 4 EARTH & ENVIRONMENTAL SCIENCES**

Discuss UIC's research in Chicago, the Arctic, the Antarctic, and planetary bodies, and discover local, regional and national career options.

LCF, F1 | 45 mins
Scheduled: 10 a.m.
high school and transfer students

- 4 CHEMISTRY & BIOCHEMISTRY**
Faculty talk about their diverse research, teaching interests, and the department's majors.

LCF, F1 | 45 mins
Scheduled: 11 a.m.
high school and transfer students
